

# Team Study Day

## Dentists/Technicians/DCPs

13<sup>th</sup> February 2009

9.15am – 5.00pm

National College for School Leadership: Learning & Conference Centre  
Triumph Road, Nottingham, NG8 1DH

Section 63 approved

**Speakers:** Colin Campbell, Phil Hollows, Peter Galgut, Ian Peace, Rashball Ghattaora, Charlotte Stillwell, Amanda Gallie, Jocelyn Logan, June Dickens and Larry Brown

**Limit: 250**

**Cost: £40**

### Aims & Objectives

To provide a relevant learning experience for all members of the dental team.

To provide an update on current techniques and philosophies in:

- Periodontology (lectures given to dentists and DCPs separately tailored to suit their needs)
- Restorative dentistry (RPD's) for dentists and technicians
- Implant dentistry (the state of play at present), separate lectures running each for dentists and technicians
- Oral surgery updates and tips (lectures for dentists and nurses separate to suit individual needs)
- Update on oral cancer for dentists and DCP's
- Alternative therapies in dentistry inc homeopathy, herbal medicines and acupuncture
- Avian and Pandemic Flu epidemic: Current GDC guidelines in a state of emergency
- The hygienist perspective,(inc. updates and marketing)
- GDC requirements for the whole team including Child Protection, Cross Infection and Record keeping

*Please complete the reply slip below and send with your cheque (**separate cheque for the deposit if requested as this is returnable**) payable to NUHT (Nottingham University Hospitals NHS Trust) and send to Sarah Swift, Postgraduate Multidisciplinary Education Centre, Queens Medical Centre Campus, Nottingham University Hospitals NHS Trust, Derby Road, Nottingham, NG7 2UH*
