This is a multi-professional study day using sought after speakers, both local and national that deliver quality CPD for you and your whole team. In the heart of Nottingham, the National College of School Leadership (NCSL) is an inspirational venue that architecturally incorporates natural light and materials making this an ideal venue to learn and network. This course has been heavily subsidised by sponsors, giving you and your team the perfect opportunity to experience an exciting new way of improving your knowledge and skills at a fraction of the cost.

Any questions or enquiries please contact me at:  
All course bookings can be made to Sarah Swift:
