Aims and Objectives:

- Understand the continued fall in registered dental technicians and the factors affecting this decline which will it continue to fall at its current rate.
- Enhanced CPD
 - CPD is changing for DCP's in July.
 - What are the changes?
 - What is a Personal Development Plan?
 - How will I keep a log?
 - What do I need to declare each year?
- T-Levels
 - Changes to 16-18 education and why dental technology is included.
 - Your help! What's should a dental technician T level look like?

Learning Outcome:

This training session is intended to create an understanding of the new ECPD requirements which come into place for registrants on 1st August 2018.
